

# USA EATS

Don't let money prevent you from visiting the United States! With USA Eats, tourists can stay on track with their food budget during their stay in the US without having to manually perform currency conversions. Our

program combines the ease of currency conversion with the ability to search and return top eateries for the specified budget. Eat well, spend smart, and enjoy your stay!

## Step 1

Welcome To USA Eats!

This program is designed to make searching for restaurants for any budget within any city in the United States easy for foreigners to find!

Follow the instructions below to receive suggestions on what to eat in an area near you!

Enter your current location or type 'Exit' to quit:

## Step 2

Input Home Currency Symbol:

## Step 3

How much do you want to spend of your home currency?
